To whom it may concern,

It is my pleasure on behalf of Runecast Solutions Ltd. to highly recommend CSFI/Cyber Security Forum Initiative as a Marketing & Social Media Partner.

I have worked with Mr. Paul De Souza for marketing initiatives, where his organization has promoted our educational materials and ebooks for cybersecurity professionals.

For our educational ebook & buyers guide, we used the services of CSFI to help market it to his audience on LinkedIn, Twitter and his proprietary database that he sends his newsletters to. Each time we utilize his social media services our subscription rate increases!

I would be more than happy to provide a more detailed personal & professional reference if you need anymore information on my professional opinion of his organization and performance of his services. I can be reached at email zuzana.belehradova@runecast.com.

I look forward to many more years working with the CSFI team.

Sincerely,
Zuzana Belehradova
